WASTE EDUCATION

EXCURSION

Students learn about waste, litter, environmental effects and the Three R's - 'Reduce, Reuse and Recycle' through presentation, games and a behind the scenes look at the Millar Road Landfill and Recycling Facility. Optional visit to the City's Council Chambers.

Tour includes free return transport, certificate and small gift promoting the 3R's message. From 2.5 to 5 hours in duration, including travel time.

Excursions can be personalised to suit individual requirements and are free to all schools within the City, years 2 to 7. Contact to discuss alternatives for Prep to year 1.
